

# Outdoor Universal FLAT Mount

Outdoor Universal Flat Mount - Portrait  
for 42" to 55" Displays

Model: OD-WM-4060P

With its high grade materials such as the corrosion-resistant E-Coat finish and plated hardware, Outdoor Universal Flat Wall Mount offers peace of mind when mounting outdoor displays. In addition to simple installation with its Hook-and-Hang™ design, the open wall plate provides total wall access while keeping the distance of a mere 1.77" between the display and the wall. To keep your display secure, there is the tamper-resistant hardware which helps deter theft, offering safety and reassurance with every installation.

## FEATURES:

- Designed specifically for outdoor use and constructed from weatherproof materials
- Low-profile design holds display only 1.77" (45mm) from the wall for a clean application
- Safety latch guarantees that the display is being attached to the wall plate securely
- Universal display adaptors easily hook onto the wall plate for fast installation
- Universal mount is compatible with displays that have mounting patterns of up to 450 x 745mm (17.73"W x 29.31"H) and up to 400 x 600mm VESA® compliant
- Open wall plate design enables total wall access, which increases the options for electrical and cable management
