

# INDUSTRIAL 1U RACKMOUNT

1U 15" Rackmount TFT LCD Monitor Drawer  
1024x768 res LCD

MODEL: ACNP1500

The **ACNP** series is designed to provide users with friendly and clear visual monitoring device that can be easily fitted onto standard 19" rack and takes only 1U space. The series supports 15", 17" and 19" TFT LCD display in an elegantly designed 1U heavy duty steel housing with rail to enable users to select the most comfortable visual distance. The LCD supports wide viewing angle R-L and U-D up to 170 degree. Ultra excellent display quality is supported by a maximum contrast ratio of 1000:1 and a resolution up to (SXGA) 1280 x 1024 pixels for 17" and 19" version. **ACNP** series also support Sun native resolution. It can be connected easily to your computer through standard VGA interface

*Monitor fold downward to deploy and down to stow at closed position. This allows operators to pull out the monitor shortly after takeoff while remaining in the seated position. Especially when you need to mount this console at the higher location of the rack.*

## FEATURES
