

AOPC1500C2D is a revolutionary all-in-one metal touch screen POS terminal, digital signage, or panel PC for the harsh retail or hospitality environment. Its ultra slim front bezel, water and grease resistance, exquisite stainless steel enclosure and rugged construction are the best known solution for any harsh environment. AOPC1500C2D is also a powerful offering in restaurant, information kiosk, industrial automation, digital signage, commercial ads and healthcare environments. The sealed rugged housing is made of stainless steel and has the capacity for water and grease resistance in the harshest environment. Tested under extreme conditions. the AOPC1500C2D proves to operate and function normally while enduring hose-directed water.

Features:

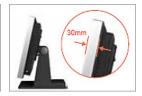

- Rugged metal housing and NEMA 4 / IP 65 dust & water proof display front .
- 15" 4:3 LCD monitor
- Rich I/O ports provides excellent peripheral connectivity
- Sealed rear cover and fanless/no air-vent design for the harshest environment
- Ultra slim 30mm thickness stepping design; with die-casting desktop stand

Specifications:

Intel® 0456ME + ICH7M	Dragonor:	Intel® Core 2 Duo 1.66GHz
System Memory: Share system memory up to 224MB		
Carphic Memory: Share system memory up to 224MB
