

# **2U DUAL-SCREEN RACK MOUNT DISPLAYS**

17.3" 16:9 Rugged 2U Rackmount Drawer with Dual-screen LCD Monitor (Model: BHK2DW117e-SD)

# **INTRODUCTION**

It is an ideal match in military transit case applications and command & control centers. The compact 2U rackmount display drawer uses a secure all-aluminum monitor mounting and stabilization design necessary for robust government & defense, communications and industrial automation applications. It is also designed for server room applications.

The BHK2 offers dual displays that are 2U rack mount (or 30") deep. You have the option of choosing among 17.3", 19", or 23" display sizes at a combined 3840x1080 or 2560x1024 resolutions.

This model is popular because of its compact size, despite the large displays. You can have two 23" displays fold up to fit into a compact 2U space.

### **FEATURES**

- Two 17.3", 19", or 23" Screens for a combined 3840x1080 or 2560x1024 resolution
- 2U Rack Mount, 30" Deep
- Independent Display Controllers
- Auxiliary Pass Through USB
