

Rugged High Definition Portable Platform

23.3" Wide Display Portable Workstation 1920x1080, Intel Core i7-4790K Haswell
Quad-Core 4.0GHz LGA 1150 Processor (Model: BPCW2300BB-i7)

(Model: BPCW2300BB-i7)

Introduction:

With a 23", HD LCD display and 7 expansion slots, the BPCW2300BB-i7 can easily full the requirements of a number of different markets. It can be con-gured with many special add-on cards to tailor to your unique applications. The integrated visor-shade and high contrast ratio optimizes viewing when ambient light becomes distracting. Optional touch screen allows the BPCW2300BB-i7 to operate without a keyboard for quicker operations.

Every unit comes equipped with cooling fans and easy access to its expansion slots for immediate system upgrade or maintenance.

Overall, what separates the BPCW2300BB-i7 is its viewing experience. The large, wide view LCD with low latency, high contrast ratio, and visor-shade allow the user to see details that would have otherwise been overlooked.

Integrated folder-down
visor shade
