

32" Interactive Digital Signage Kiosk Intel® Pentium G850 2.9GHz CPU, 1920x1080 dpi, 350nits with IR touchscreen

(Model: MSB3200PCPT-IR)

## Feature

- Slim profile for space-constricted environments
- Double side interactive display possible
- Modular design reduce total cost of ownership
- Compact and flexible mounting solution: Standalone and wall mount

## Experience

- Information Kiosk in Mall / Department Store / Hospital
- Ticketing Kiosk in Movie Theater / Golf Club
- Stored Value Kiosk in Membership Club/ Theme Park
- Coupon Dispensing Kiosk in Mall / Supermarket

## Specifications

|                         |                                                         |                             |

|                         | Max. Capacity                                           | 8GB                         |
|                         | Socket                                                  | 2 x 240-pin DIMM            |
| <b>Panel Size</b>       | 31.5"                                                   |                             |
| <b>Resolution</b>       | 1920x1080                                               |                             |
| <b>Viewing Angle</b>    | Right : 89 / Left : 89 / Upper : 89 / Lower : 89 degree |                             |
| <b>Brightness</b>       | 350 cd/m <sup>2</sup>                                   |                             |
| <b>Color Support</b>    | 16.7M                                                   |                             |
| <b>Contrast Ratio</b>   | 3000                                                    |                             |
| <b>Response Time</b>    | 6.5 ms                                                  |                             |

## Peripheral & Storage Devices

|                      |                                          |
|----------------------|------------------------------------------|
| <b>Drive Bay</b>     | 2.5" HDD SATA interface                  |
| <b>Option Device</b> | Tempered Glass                           |
|                      | IR Multi-Touch Screen                    |
|                      | Slim DVD-ROM drive or equivalent devices |
|                      | Wireless LAN                             |

## Mechanical / Environmental

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| <b>Construction</b>              | Body: heavy-duty steel<br>Profiles: aluminum alloy |
| <b>Kiosk Design Customizable</b> |                                                    |

## Options

Wifi

1D/2D Bar Code Scanner

GPRS/3G

Digital Signage Software

RFID/Mifare

Motion Sensor

IC Card / MSR

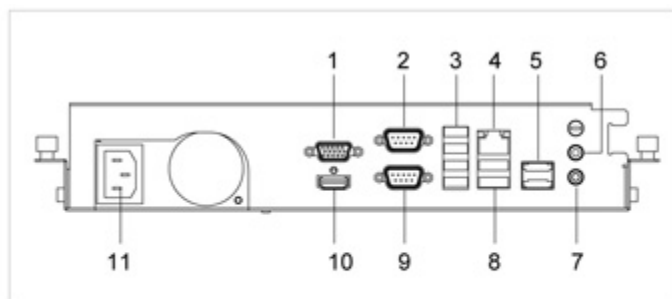

IP65

2"/3"/4" Thermal Printer

## Fully Integrated I/O

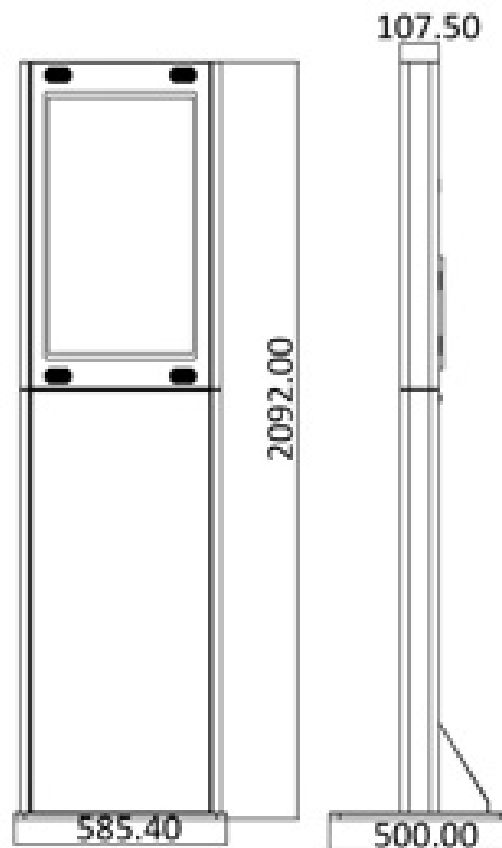

- |               |                |                     |
|---------------|----------------|---------------------|
| 1. VGA        | 5. ESATA       | 9. COM1             |
| 2. COM2       | 6. Speaker out | 10. Digital Display |
| 3. USB 2.0 x4 | 7. MIC in      | 11. AC input        |
| 4. LAN        | 8. USB 3.0 x2  |                     |
