

# Footprint Touch Screen Kiosk

Ultra Small 19" Touch Screen and Amplified Stereo Speakers  
Footprint Touch Screen Kiosk

Model: *OKK1900*

## Featuring a Small Footprint, 19" Touch Screen and Amplified Stereo Speakers

Modern and adaptable, this kiosk is designed to impress; the OKK1900 continues I-Tech's mission to provide better kiosks through intelligent design. To maintain the flexible configuration all of our kiosks boast, the OKK1900 was meticulously engineered to accommodate optional credit card reader, receipt printer, keyboard, trackball and Wi-Fi capability. The wide array of transactional components housed in this sleek, feature-packed kiosk makes it one of the most powerful retail solutions available on the market. Its compact footprint and rugged security compliment a variety of environments for companies that seek to improve ROI and user interaction in small spaces or high traffic areas.
