LARGE INDOOR PORTRAIT KIOSK

Large Indoor Black 43" Portrait Kiosk
Fits 43" flat screens up to 4" thick and 125 lbs.

Model: PSB4300B

FEATURES

- Fits 43" flat screens up to 4" thick and 125 lbs.
- Pre-assembled to simplify installation of entire solution
- Supports a wide range of aesthetic options, including multiple colors and vinyl wraps, to match any branding strategy
- Stand-alone or fully integrated with display, audio components, media player and input components
- Internal micro-adjustments allow for quick positioning of display within the kiosk window for flush alignment
- Two whisper-quiet, thermostat-controlled exhaust fans to ensure the internal components are kept at an optimal temperature
- Six outlet, UL- and cUL-approved surge suppressor with 6' cord to protect voltage-sensitive components from damaging power surges
- High-performance, premium powder coat finish protects the unit and extends the product lifespan for years
- Designed with American steel, that provides stability, strength and corrosion resistance for any indoor environment
- Secured doors allow convenient access to the display, media player and other internal components for easy installation and maintenance
- Custom colors also available, please call for more information
