

# 1U RACKMOUNT SPEAKER

1U Rackmount Amplified Speakers

12 Watts 110/220VAC Power Supply with C14 Power Cord.

**Model: RMSPK200U**

The RMSPK200U speaker system is a fully enclosed amplified stereo speaker system featuring front panel controls which include a Power ON/OFF and Volume Control Switch with Power Indicator. The front panel Headphone Jack disables the internal speakers when a headphone plug is inserted, directing audio output to the headphones.

A front panel 3.5mm AUX input jack overrides the rear input source allowing connection of a second source. The unit is supplied with a detachable audio cable and an external 110/220 VAC 50/60 Hz input power supply with C14 Power Cord.
