

19" RACK MOUNT POWER STRIP

■■■■■■■ WITH TRANSIENT VOLTAGE SUPPRESSION

7200-A-39-3

FEATURES

- NEMA L5-30P Power Cord
- 16 NEMA 5-20R Receptacles
- 8 UL 489-listed Circuit Breakers
- Thermally Protected TVS Networks
- Power distribution up to 3.60 KVA to 16 AC loads

TECHNICAL SPECIFICATIONS

Input

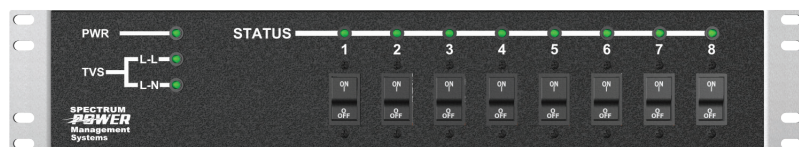

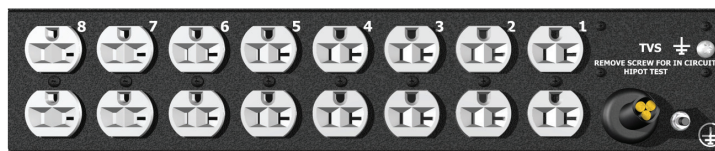

- Power Input: Single Phase, AC
- Voltage Range: 120 VAC+10%/-15%
- Frequency: 47-63 Hz.
- Current: 30 Amps
- Input Protection: 8 x 15A Circuit Breakers
- Power Dissipation: 10W nom. @ 120 VAC
- Panel Indicators: LED, Main & TVS
- TVS: 100 Joules

Output

- Power Output: 3.60 KVA
- Output Receptacle: 8 x 2 NEMA 5-20R
- PE Ground: 1/4"-20 Threaded Stud

Physical & Environmental

- Size (Overall): 19.0"W x 3.50"H x 6.50"D
- Temp. Range: 0°C to 50°C
- Weight: ≈ 11 lb. (≈ 5 kg)

Are you looking for a rugged power strip with dependable protection? The 7200-A-39-3 from Spectrum Power Management Systems features these qualities and much more. This power strip provides for the reliable power distribution of up to 3.60 Kilowatts of power via sixteen NEMA 5-20R outlets to 120 VAC auxiliary appliances. The power strip's AC inlet is filtered to reduce emissions and provides at least 30db of common mode noise reduction. It provides even greater differential noise reduction between the frequency ranges of 1 to 10 Megahertz.

This ruggedly constructed power strip also contains thermally protected Transient Voltage Suppression (TVS) networks, which clamp common mode and differential mode voltage transients with up to 100 Joules of energy content. LED indicator lamps show a "green" status if the main power input is present, and if the TVS networks are ready and functional. The built-in UL 489-listed circuit breakers are designed to prevent accidental accuation to the OFF position while in service, but can be turned OFF manually for equipment maintenance or repair.

For additional information on the 7200-A-39-3 or other power strips from the Spectrum Power Management Systems line, please contact a Sales Representative at sales@i-techcompany.com or visit the website at www.i-techcompany.com.
