

BRS7200B

2U 19" Rackmount Server Intel Core i7-- 48cm x 42.7cm x 8.82cm

Features:

- 19" 2U high, rackmount chassis compliant to EIA RS-310C standard
- Intel Core i7-3610QM 2.3GHz Mobile CPU (Based Clock Speed)
- HDMI, VGA, DVI
- GigaLAN x2, COM x2, USB2.0 x6 (2 Front + 4 Rear), USB3.0 x2
- Detachable card cage for easy installation and maintenance
- Provides mainboard, 250W ATX power supply (PCI x 3 or PCI x 2 + AGP x 1)
- External: 5.25" space x 1 + 3.5" space x 1
- Internal: 3.5" space x 3
- Dual lockable latch doors
- FCC/CE industrial Class A approval
- 8cm ball bearing cooling fan x 3 (optional)
- System environmental monitor (optional)

Specifications:

Chassis

Meets EIA RS-310C 19" 2U high, rackmount standard; heavy-duty steel, SECC 1.2t (Japan)

Drive Space

External: 5.25" space x 1 + 3.5" space x 1
Internal: 3.5" space x 3

Front Panel

Power switch, reset button; power and HDD active LED

Thermal Solution

8cm ball bearing cooling fan x 3 (optional); system environmental monitor (optional) and removable air filter

Altitude

15,000 feet

Power Supply

250W ATX power supply

Temperature

0~+50oC (operating); 0~+70oC (storage)

Humidity

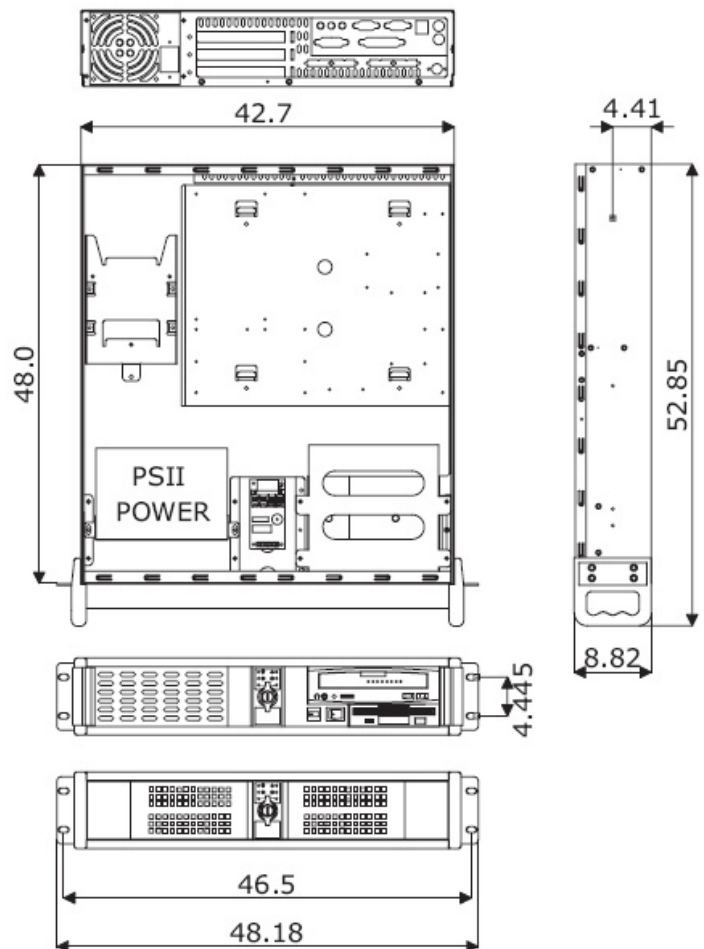

5~95%; non-condensing

Safety Standard

FCC/CE on chassis and FCC/CE/UL/TUV on power supply

Dimensions (L x W x H)

48.0 x 42.7 x 8.82 cm
